H&S IN THE WORKPLACE LEVEL 1 RQF

FAA Award in Health & Safety in the Workplace Level 1 RQF

The qualification is an introduction to health and safety in the workplace and can form part of an employee's induction programme or a basis for a learner wishing to gain higher levels of training in this area. The qualification provides learners with a basic knowledge and understanding of health and safety in the workplace under UK health and safety legislation ensuring that the working environment is safe and healthy.

Entry requirements The qualification is available to learners aged 14 or over but a learner cannot assume a responsibility in the workplace until they reach the age of 16. It is recommended that learners should hold a minimum of Level 1 in literacy or equivalent to undertake this qualification. It may be possible to allocate a reasonable adjustment to a learner who has a disability, medical condition or learning need; learners should contact their training provider to discuss.

Qualification delivery The qualification has 4 assigned guided learning hours (GLH). GLH indicates the number of classroom contact hours that the learner will undertake. The minimum classroom contact time of 4 hours should be delivered over a minimum of half a day. The course can be spread over a maximum of 2 weeks, ensuring that each session is a minimum of two hours. The class ratio for this qualification is a maximum of 16 learners to 1 Trainer/Assessor.

Certification The qualification does not have an expiry date but refresher training and keeping up to date with changes to policies, procedures and new legislation through ongoing CPD is vital.

Price per course Bespoke quotes can be requested by Email.
