FIRE SAFETY LEVEL 1 RQF

FAA LEVEL 1 AWARD IN FIRE SAFETY AWARENESS (RQF)

The qualification is an ideal introduction into fire safety awareness for employees and a strong basis for undertaking further fire safety training. The qualification provides learners with an understanding of the key principles of fire safety from cause to prevention and response.

Entry requirements The qualification is available to learners aged 14 or over but a learner cannot assume a responsibility in the workplace until they reach the age of 16. It is recommended that learners should have a minimum of Level 1 in literacy or equivalent to undertake this qualification. It may be possible to allocate a reasonable adjustment to a learner who has a disability, medical condition or learning need; learners should contact their training provider to discuss.

Qualification delivery The qualification has 4 assigned guided learning hours (GLH). GLH indicates the number of classroom contact hours that the learner will undertake. The minimum classroom contact time of 4 hours must be delivered over a minimum of half a day. The course can be spread over a maximum of 2 weeks, ensuring that each session is a minimum of two hours. The class ratio for this qualification is a maximum of 16 learners to 1 Trainer/Assessor

Certification The qualification does not have an expiry date but refresher training and keeping up to date with changes to policies, procedures and new legislation through ongoing CPD is vital.

Price per course Bespoke quotes can be requested by Email.
