EMERGENCY PAEDIATRIC FIRST AID LEVEL 3

FAA LEVEL 3 AWARD IN EMERGENCY
PAEDIATRIC FIRST AID (RQF)

The qualification is designed for learners with a responsibility for the care of children and babies on a professional level providing the knowledge and practical competence to deal with a range of paediatric first aid situations. This 6-hour qualification meets the requirements stated in the Statutory Framework for the Early Years Foundation Stage. It is the responsibility of the employer to ensure adequate numbers of appropriately trained personnel.

Entry Requirements The qualification is available to learners aged 16 or over. It is recommended that learners hold a minimum of level 1 in literacy or equivalent to undertake this qualification. Due to practical elements of this course Learners will need to be able to perform CPR on the floor.

Qualification Delivery The qualification has 6 assigned guided learning hours (GLH). GLH indicates the number of contact hours that the learner will undertake being taught or assessed under the immediate guidance or supervision of the trainer/assessor in the classroom. The minimum classroom contact time of 6 hours can be delivered in 1 day or can be completed over a maximum of 4 weeks ensuring that each session is a minimum of two hours. The learner ratio for the qualification is a maximum of 12 learners to 1 trainer/assessor.

Certification The qualification is valid for three years from the date of achievement. It is strongly recommended by the Health and Safety Executive that the learner attends annual refresher training.

Price per course: bespoke Quotes can be requested via E-mail.
